

Raritan River Region Dust Off Breakfast

As the wind blows through the leaf less trees – do not abandon hope, warm breezes and sunny days are close at hand! Mark your calendars, during the month of March there is cause to celebrate! First, on Sunday March

14th we commemorate the return of Daylight Savings Time, then on Saturday, March 20th we celebrate the return of SPRING. Both events symbolize the official/unofficial kick off of the 2010 old car season!

Now you know the Raritan River Region has to celebrate, and that's what we plan to do! Our celebration will take place at our 2nd annual Dust Off Breakfast to be held at the Old Country Buffet on March 14th.

Conveniently positioned in Watchung, on Route 22 West, the Old Country Buffet is located in the Blue Star Shopping Center and features an all you can eat breakfast buffet at a price you can afford. In March, there are no guarantees for good weather (the blizzard of 1888 occurred in March). But if mother nature does smile on us, we might be able to bring out some old cars. The parking lot for the Old Country Buffet is HUGE! But, if it turns out that this will be another dreary winter day, come modern. Either way we guarantee it won't be dreary inside with all of your Region friends.

There will be eggs, pancakes, french toast, waffles, bacon, sausage, the list is virtually limitless. And enough hot coffee to ignite the most recalcitrant of sleepy heads.

The cost of \$6.94 per person covers everything except gratuity. We will have our own corner, where eating and mingling go hand-in-hand. Children's prices are 55 cents per year for children 2 to 11 years old. Bring the kids! Bring the grand kids!
