

## **We Will No Longer Be Holding Our Monthly Meetings At Phillips Lighting.**

With the new year comes a new meeting location for the Raritan River Region. Beginning with the January 20, 2011 meeting Spring Meadows Assisted Living will be hosting our monthly meetings. The Phillips facility will no longer be available for our use and thanks to the quick thinking of Darren Muso and the generosity of Spring Meadows Assisted Living we have a new place to call "home".

Spring Meadows is located at 41 Springfield Avenue in Summit, NJ 07901 and is easily accessible from Route 24 or Route 78 West.

We wish to take this opportunity to extend our thanks and gratitude to Phillips Lighting for hosting our meetings these past years. Their support and generosity is greatly appreciated.
