

Announcing Our Annual *Dust Off Brunch* Sunday, March 18, 2012

I know, it's cold and windy with snow in the air, but lets face it, winter is just beginning and the old car season with its gentle breeze, sunny days and warm temperature is just a distant dream ... but what better time to lift the spirits and those winter doldrums than to announce our annual Dust Off Brunch for the 2012 season.

Those many members who have attended in the past know there are two main reasons to attend the Dust Off Brunch. **FIRST** of course is the food, all you can eat, at a reasonable price. Bottom line you get eggs, pancakes, french toast, sausage, bacon, danish, toast, omelets, home fries, etc., etc., for about **\$8.00 per person** (price may be *slightly* higher in March, check future announcements).

The **SECOND** reason to attend the Dust Off Brunch is to catch up with your fellow region members. Check on the progress made on member restoration projects. Find out whether Bob Rankin has found a working horn for Ms. Daisy or whether Bernie Cooney has finally located that elusive tire jack for his Seville! The buffet serving style and reserved club seating promotes table hopping and interesting conversations will abound.

This year we return to the Old Country Buffet which offers a comprehensive, all you can eat breakfast buffet at a very reasonable price. They are conveniently located in the Blue Star Shopping Center on Route 22 West in Watchung, NJ, just 9 miles West of the Garden State Parkway, and 9.8 miles East of Interstate 287.

So mark the calendar for March 18, 2012, **NO RSVP is necessary** just be sure to come hungry!

Will the weather cooperate to bring a collector car?? If not come modern.

Details are as follows:

Sunday, March 18, 2012

9:00 AM To Noon

Old Country Buffet ~ 1701 Route 22 West, Watchung, NJ

908-322-8100
