# Our Annual

We've accomplished a lot in 15 years. Often, it is nice to re-visit a previous venue, as you know what to expect. Our relationship with the Spring Dust-off goes back to the early years. It started off with Andrew Monahan's idea, our first Dust-off was at the Seville Diner on NJ 18 in East Brunswick. The food was good, the service good and the prices reasonable. Everyone seemed to have a great time.

Our next Dust-off was in a new location: Hometown Buffet, Wick Plaza, US Highway 1 in Edison. Just imagine 30+ hungry car enthusiasts in an all-you-can-eat environment! The buffet environment promoted movement and socializing. For a number of years we rotated venues between Edison and Warren. When the Warren store closed, we decided Edison offered everything we needed for a successful event.

This year, on April 2, we'll be back at Hometown Buffet in Edison. Come one – come all. There will be plenty of room to park, plenty of food to eat and plenty of friends to chat with. Plus it's reasonably priced! Who could ask for anything more?

So here's the details:

Date: Sunday, April 2, 2017

Time: 9 am to 12:00 pm

What to drive: It's always nice to see collector cars, but it is not necessary for this event.

Directions from the north: Take your favorite Road to I-287 South, Exit 1B. Immediate right off exit ramp (careful, Main Street traffic has right of way) to U.S. 1 South. Wick Shopping Plaza (anyone remember Edison Lanes?) is exactly 2.5 miles ahead on your right. If you take the Plainfield Ave exit (this is Fulton Street), HomeTown Buffet will be on your right.

Directions from the south: Take your favorite highway (in most instances this will be NJ 18) to U.S. 1 North. Go over the Morris Goodkind bridge. 0.9 miles past the bridge are the exits for Plainfield Avenue. Follow the signs for Piscataway/Dunellen. Follow the cup handle behind Wallgreens and then back across US 1. Immediately after crossing US 1 turn right on Fulton Street, then left into HomeTown Buffet's parking lot.

No need to register for this event.
