

2018 Upcoming Club Meeting Events

Winter is not a time to lament - attend our club meetings for some interesting events!

February 15th Meeting

Winter Car Show...

That's right, we're having a winter car show and in February no less, and since it will be a winter show we're going to "scale" it back a little. Actually we're going to scale it back a lot. This show is for model cars of any scale, Cadillacs preferred but just like most of our dealer shows it's open to all makes. All models eligible, kit built, promotional, Matchbox type, you have it, bring it. So dust off a few of your favorites from your collection and bring them along to our February 15th meeting. As an added bonus and just like they do at Hershey we'll also have a Car Corral for those of you who would like to sell some of your models. So for our February meeting there are 2 things to remember: The date will be February 15th and bring along some of your favorite car models for either display or for the Car Corral.

That's right, we're having a winter car show and in February no less, and since it will be a winter show we're going to "scale" it back a little. Actually we're going to scale it back a lot. This show is for model cars of any scale, Cadillacs preferred but just like most of our dealer shows it's open to all

JOIN THE FUN at OUR MARCH 15th MEETING! THE TRICKY TRAY AUCTION IS BACK!

Start your search for all those Cadillac/LaSalle items or any of those automotive related items that have been collecting dust in the garage, basement, attic or closet.....because it's time for another *Raritan River Region Tricky Tray Auction!!*

Here's how it will work: You gather all those automotive related items (especially Cadillac & LaSalle items) for donation to the auction.

When you arrive at the meeting there will be tables set up and as donations are received a cup will be placed in front of the item.

Tickets will be sold and with your purchased tickets you "bid" on the items that interest you by placing one or more of your tickets in the cup. At the end of the bidding process one ticket from each cup is drawn to select the winning bidder. It's great fun and past auctions have attracted a number of unique and in some cases expensive items. Your donations should be automotive related with Cadillac and LaSalle items in high demand. Examples of items you might consider bringing include hub-caps or other easily transported parts or accessories. Anything automobilia related is welcome as is literature; brochures, books and models are always in great demand.

All proceeds from the event will be donated to the club treasury. So clean out those automotive related items collecting dust and bring them along to our March meeting.

REMEMBER, ONE MAN'S JUNK IS ANOTHER MAN'S TREASURE!
